

Governor Profile – Parris Williams

Governor Role: Co-Opted Governor

Term of Office: October 2017 – September 2020

Relevant Business Interests: None

Staff Connection: None

I am both proud and excited to be a governor for the Blue Tangerine Federation. Volunteering as a school's governor is something I really enjoy, and the Blue Tangerine Federation is the second school I have been governor for.

My working background is in the public sector as an external auditor. I have a lot of experience providing consultancy on financial oversight, business planning and good governance. As the Blue Tangerine Federation embarks on its ambitious vision, I see our role as governors to provide both challenge and support to the school's management to help them achieve their objectives.
