### 1. Aims

Our SEN policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs and Disabilities (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Ensure all young people in our schools have fair access to a curriculum that is relevant and purposeful in order to support their childhood transitioning to adulthood.

### 2. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities

- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the SEND information report

### 3. Definitions

A pupil has SEN (or often called SEND) if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

### 4. Roles and responsibilities

#### 4.1 The SENCO

The SENCO at The Collett School is Miss Karen Thorp

She will:

- Work with the Head of School and SEND governor to determine the strategic development of the SEND policy and provision in the school
- Together with all teaching staff, have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEND, all of whom in our school, have EHC plans
- Provide professional guidance to colleagues and work with staff, parents, and other agencies to ensure that pupils with SEND receive appropriate support and high quality teaching
- Advise on the graduated approach to providing SEND support

- Be the point of contact for external agencies, especially the local authority and its support services
- Liaise with potential next providers of education to ensure pupils and their parents are informed about options and a smooth transition is planned
- Work with the Head of School, Executive Headteacher and governing board to ensure that the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Ensure the school keeps the records of all pupils with SEND up to date

#### **4.2 The SEND governor**

The SEN governor will:

- Help to raise awareness of SEND issues at governing board meetings
- Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this
- Work with the Head of School, Executive Headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school

#### **4.3 The Head of School**

The Head of School will:

- Work with the Executive Headteacher, SENCO and SEND governor to determine the strategic development of the SEN policy and provision in the school
- Have overall responsibility for the provision and progress of learners with SEND

#### **4.4 Class teachers**

Each class teacher is responsible for:

- The progress and development of every pupil in their class

- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching
- Working with the Head of School and Head of Interventions to review each pupil's progress and development and decide on any changes to provision
- Ensuring they follow this SEND policy

## 5. SEND information report

### 5.1 The kinds of SEND that are provided for

Our school currently provides additional and/or different provision for a range of needs, including:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory needs
- Physical needs
- Moderate/severe/profound and multiple learning difficulties

### 5.2 Assessing and reviewing pupils' progress towards outcomes

We will follow the graduated approach and the four-part cycle of **assess, plan, do, review**.

The class teacher will work with the Head of School and others to carry out a clear analysis of the pupil's needs. This will draw on:

- The teacher's assessment and experience of the pupil
- Their previous progress, attainment and behaviour
- Other teachers' assessments, where relevant

- The individual's development in comparison to their peers and national data
- The views and experience of parents
- The pupil's own views
- Advice from external support services, if relevant
- Assessments will be reviewed regularly and update the child's EHCP.

All teachers and support staff who work with the pupil will be made aware of their needs, the outcomes sought, the support provided, and any teaching strategies or approaches that are required. We will regularly review the effectiveness of the support and interventions and their impact on the pupil's progress.

### **5.3 Supporting pupils moving between phases and preparing for adulthood**

We will share information with the school, college, or other setting the pupil is moving to. We will agree with parents and pupils which information will be shared as part of this.

We work with the child's/ young person's best interests when planning transitional arrangements. These may include:

- Whole class work on transitions
- Experience of Work and Work Experience placements
- Vocational and careers planning and information sharing
- Individual work on transitions that include:
  - Social stories
  - Visits,
  - Video work
  - Collaboration with the next school/ Connexions/ College
  - Transition Days with support

## 5.6 Our approach to teaching pupils with SEND

Teachers are responsible and accountable for the progress and development of all the pupils in their class.

High quality teaching is our first step in responding to pupils who have SEND. This will be differentiated for individual pupils.

### 5.6.1 Interventions

The Intervention team supports pupils to develop skills and confidence to learn, thrive and shine – addressing specific learning, physical, sensory and behavioural needs in order to support good/outstanding progress. This is achieved by minimising barriers to learning, helping individuals to develop resilience and the skills necessary for self-regulation. This support is in addition to high quality classroom teaching. It is not just within the base is but also seen throughout the school. The support is bespoke to the needs of the child and seeks to boost progress and attainment through the assessment of individual's needs and the particular effective teaching strategies, specialised programmes and resources which will enable individual pupils to access learning, the whole school and wider community with confidence and independence.

### 5.6.2 Intervention Aims

- To effectively support children to access the curriculum through interventions that reduce barriers to learn
- To ensure learning challenges and behaviour challenges are identified quickly through analysis, with appropriate outcome-driven interventions applied, monitored for effectiveness and checked for impact
- To promote the process and structure of interventions within the school as a collaborative unit that works with class teams to identify pupils and supports them through effective leadership of intervention

### 5.6.3 Intervention Objectives

- To ensure staff are aware of their role and responsibilities towards supporting pupils in the areas of communication, Social and Emotional Wellbeing, Sensory and Kinaesthesia
- To adopt a consistent approach to the identification of pupils needing intervention

- To establish clear processes by which intervention will take place, how it will be recorded and evaluated for impact

#### **5.6.4 Types of Intervention**

We work within a strong multidisciplinary approach to combine a range of therapies, programmes and interventions to meet children's individual needs, offering pupils a rewarding experience. Our emphasis lies in recognising pupils' strengths and successes and providing strategies for them to overcome their learning challenges.

Class teachers are responsible for matching their teaching to the individual needs of the children, therefore providing appropriate intervention at a classroom level.

#### **5.6.5 The following interventions are available to our pupils:**

Our services are: Communication and interaction, Cognition and Learning, Sensory and OT intervention and Pupil Wellbeing

Through these services, we offer relevant interventions that include:

- Social stories and comic strip stories
- Sensory Play, Sensory Circuits sensory diets
- Sensory Integration Occupational Therapy (SIOT)
- Attention Autism
- Lego therapy
- Sensory stories
- Social Skills groups
- Rebound Therapy
- Music Therapy
- Yoga

- Art Therapy (delivered by SafeSpace)
- Smart Moves (Motor Skills Development Programme)
- Speed Up (kinaesthetic handwriting programme)
- Ready Set Remember (auditory memory programme)
- Fine and Gross Motor Intervention (NHS OT programmes)
- Various emotional and Mental Wellbeing Groups

## 5.7 Adaptations to the curriculum and learning environment

We make the following adaptations to ensure all pupils' needs are met:

- Differentiating our curriculum to ensure all pupils are able to access it, for example, by grouping, 1:1 work, teaching style, content of the lesson, etc.
- Augmented Communication Devices for those who require them
- Makaton
- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Differentiating our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.

## 5.8 Additional support for learning

We have teaching assistants who are trained to deliver interventions

Teaching assistants will support pupils on a 1:1 basis and in the young person's class. Rarely can we support 1:1 consistently as a result of the funding structure of our school

Teaching assistants will support pupils in small groups in class

We support our inhouse staffing with external support through:

- HCC
- Social Care
- Safe Space
- Outreach
- Other Special Schools
- Specific Programmes to support individual children
- Private therapists
- Volunteers

### **5.9 Expertise and training of staff**

- Our Collett School SENCO has 12 years' experience in this role and has worked as a teacher for 19 years.
- All our teachers and teaching assistants regularly have training in aspects of SEND including strategies to support learning, reduce challenging behaviours and increasing communication skills.
- Several members of staff have degree and masters level qualifications in SEND education

### **5.10 Securing equipment and facilities**

- The School budget and fundraising are used to secure equipment and improved facilities regarding SEND.
- The school accesses hire schemes for some equipment
- The school accesses NHS equipment for some equipment
- The school fundraises to provide specific equipment
- The school works with the SN Team to provide specific equipment and resources as detailed in the child's EHCP

## 5.11 Evaluating the effectiveness of SEND provision

We evaluate the effectiveness of provision for pupils with SEND by:

- Reviewing pupils' individual progress towards their goals each term
- Reviewing the impact of interventions
- Using pupil questionnaires
- Monitoring by the SENCO
- Using provision maps to measure progress
- Holding annual reviews for pupils with statements of SEN or EHC plans

## 5.12 Enabling pupils with SEN to engage in activities available to those in the school who do not have SEND

- All of our extra-curricular activities and school visits are available to all our pupils, including our before-and after-school clubs.
- All pupils are encouraged to go on our residential trip(s) to PGL
- All pupils are encouraged to take part in sports day/ school plays/ special workshops, etc.
- No pupil is ever excluded from taking part in these activities because of their SEN or disability.
- We have adapted and continue to adapt areas of our school to ensure all children, their families and visitors can access all parts of the building safely and independently (where they can)
- The School's Accessibility Plan is on our school website:  
[www.bluetangerine.herts.sch.uk](http://www.bluetangerine.herts.sch.uk)

## 5.13 Support for improving emotional and social development

We provide support for pupils to improve their emotional and social development in the following ways:

- Pupils with SEND are encouraged to be part of the school council

- Pupils with SEND are also encouraged to attend after school clubs to promote teamwork/building friendships etc.
- We have a zero tolerance approach to bullying.
- We teach children about online safety and how to safeguard themselves
- We teach children about mindfulness, emotional and mental wellbeing.
- We support children to develop their personal interests and develop independence in such areas of interest
- We teach functional skills and vocational training to support transitions into adulthood
- We promote the strengths of the individual and have a lot of systems to celebrate achievements in a relevant and purposeful way

#### **5.14 Working with other agencies**

- We work closely with a range of agencies to keep our children safe.
- We have close working relationships with Social Care, Special Needs Team, Occupational Therapy, Educational Psychology, Sensory Integration specialists, The Virtual School, the police, primary and secondary schools in our area, local, national and international businesses/commerce, other charities, colleges of further education, local MPs, family support agencies, children's homes, etc.
- We support children to access steps towards adulthood successfully.
- We regularly support our pupils' families with their needs - signposting and supporting applications for support with our families who have SEND.

#### **5.15 Complaints about SEND provision**

Complaints about general issues should be directed first to the child's class teacher in order to ensure any miscommunication is rectified.

Complaints about SEND provision in our school should be made to the Head of School in the first instance. They will then be referred to the school's complaints policy.

The parents of pupils with disabilities have the right to make disability discrimination claims to the first-tier SEND tribunal if they believe that our school has discriminated against their children. They can make a claim about alleged discrimination regarding:

- Exclusions
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services
