

## Governor Profile

### Aurele Mes Boaye Champion

**Governor Role:** Governor

**Term of Office:** 3 Years

**Term in Office:** Since June 2021

**Relevant Business Interests:** None

**Staff Connection:** None

I am thrilled to be joining the Blue Tangerine Federation as a governor. As someone who is passionate about education, I feel very proud to have this opportunity to volunteer as a school governor.

My professional background is in Human Resources where I have gained experience in various aspects of HR, most notably, employee relations and recruitment. I look forward to working alongside the other governors to hold the school management to account and support the federation achieve its strategic vision."
