I am excited about joining the Blue Tangerine Federation Governing Body. Having served a number of years as a Parent Governor at my children's school in Hemel Hempstead which I thoroughly enjoyed. I am keen to use my experience and some of my free time to volunteer.

I currently work in a local library but have spent the majority of my working career in customer / client management at a logistics & contact centre outsourcing company in the Midlands and a Language School in Covent Garden, where I was responsible for the student experience and was the Designated Safeguarding Lead.
