I feel incredibly privileged to be able to offer my support to the Blue Tangerine Federation as a Parent Governor.

Both of my children are diagnosed with Autism, and my youngest son is at The Collett. I am very motivated to help ensure that every child with additional needs has the opportunity to reach their full potential and thrive.

I have served as a Special Constable since 2018 and have plenty of experience dealing with challenging situations, as well as having difficult conversations with people. I hope to put these experiences to good use as Parent Governor.
