I am delighted to be joining the Blue Tangerine Federation governing body and welcome the opportunity to compliment the incredible team and the fantastic work they undertake.

My son is in his second year as a pupil at Luke's and I feel very privileged to have this opportunity to contribute my time and experience to the governing body to support the federation in all its endeavours, and the critical role they play in supporting staff and shaping the future of the pupils.

My professional background is in sales and operations, and I will bring experience of leadership, project management and a solution focused mind set to complement the existing team.

I am very much looking forward to the start of this role and cannot wait to begin my term in earnest.
