I am a working mum and have been employed by Hertfordshire County Council in since March 2022, prior to that I was employed by HFL Education as a Schools Financial Adviser.

My background is finance and human resources, and in 2009 I completed a Masters in Human Resources Management as a mature student.

I am looking forward to joining the Blue Tangerine Federation Governing Board and contributing in any way I can.

Most of my spare time is spent on the side line of various pitches supporting my son in his sporting endeavours, and when I'm not doing that, I enjoy competing in flyball competitions with my dog.
